Manufactured by:

Certifications :

Reshape your thinking... } Create spaces that reflect vision and creativity.

Engineered for designers, architects, and modern living - our laminates deliver precision finish, durability, and aesthetic excellence.

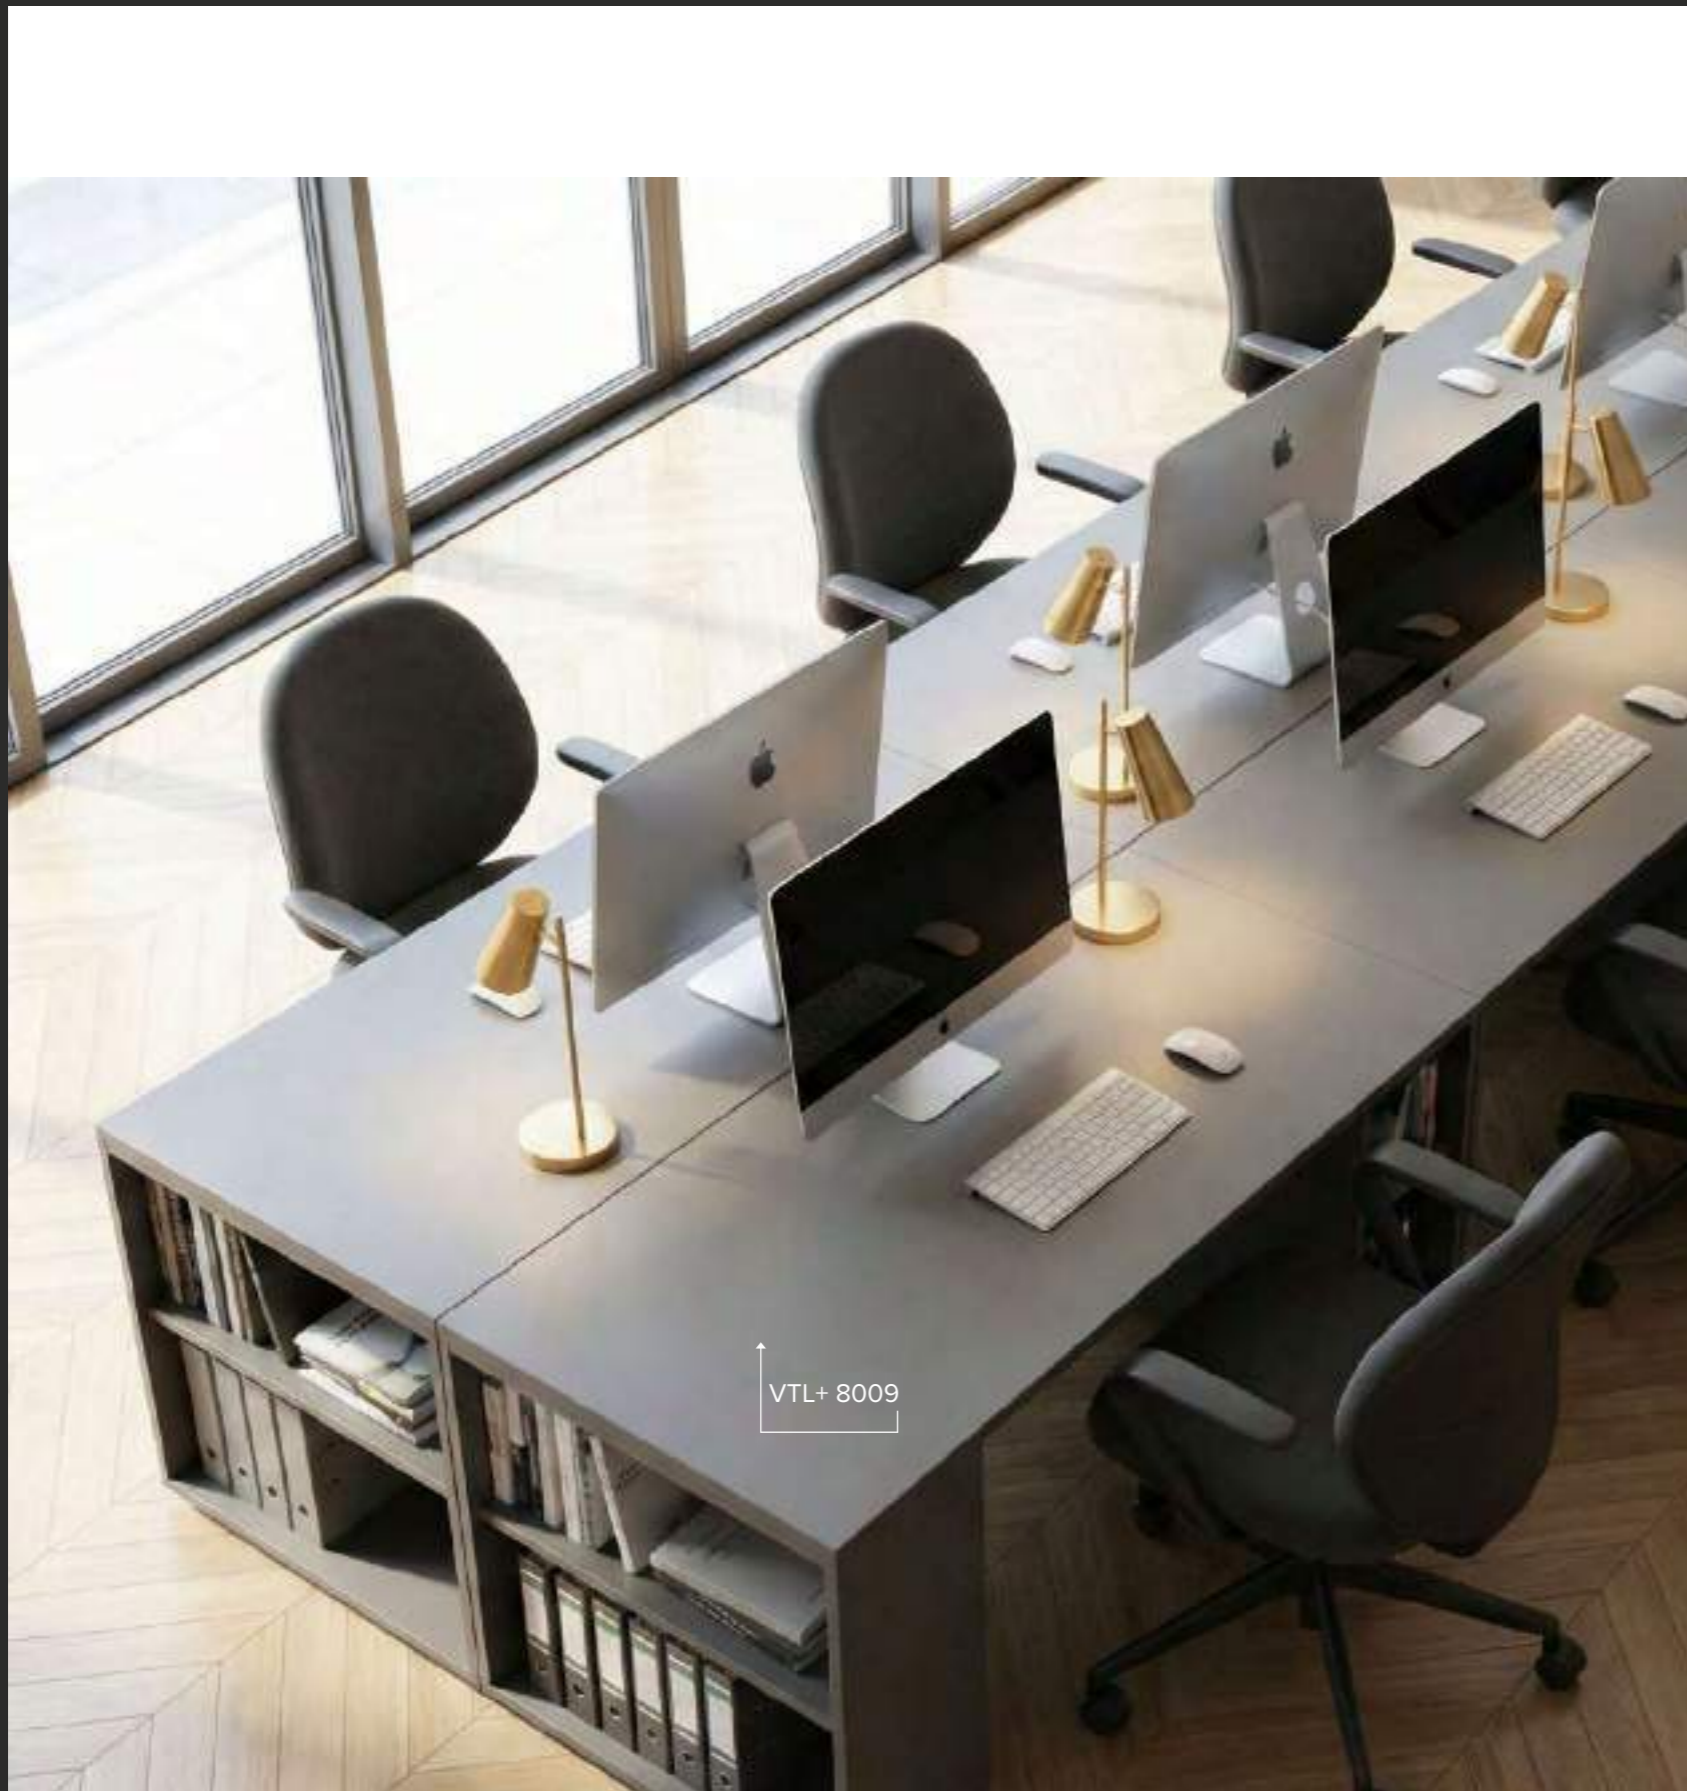

Transform ideas into inspiring interiors.

Mac Al Gurg has been a trusted name in the UAE's building and construction landscape since 1974, delivering quality solutions across a wide range of categories. As part of the Al Gurg Group, a long-established UAE conglomerate, Mac Al Gurg combines deep local insight with global partnerships to serve residential, commercial, and industrial markets.

Today, the company's portfolio spans sanitaryware, paints and accessories, drywalls and ceilings, insulation, facades, surfaces, pipes and drainage, hardware and tools, construction chemicals, electrical solutions, and more—offering products that perform and inspire.

With a strong focus on innovation, reliability, and customer satisfaction, Mac Al Gurg continues to support architects, designers, developers, and homeowners with best-in-class products and tailored solutions across the UAE and beyond.

VTL+ 8009

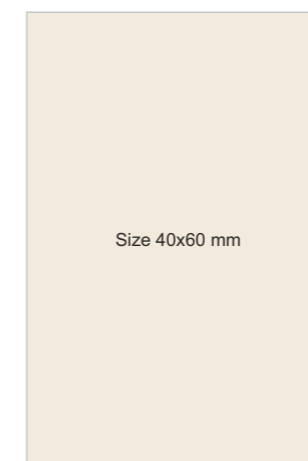

- Anti-Fingerprint
- Scratch Resistant
- Soft Touch
- Easy to Clean

PURE TOUCH
TECHNOLOGY

Introduces a next-generation laminate surface engineered to resist fingerprints and everyday smudges. Its advanced anti-fingerprint coating keeps the surface clean, smooth and flawless, reducing maintenance and ensuring a refined, premium appearance at all times.
